COMMERCIAL & PLANNING CELL

Memorandum No: PVVNL/COMM/EHV/2026/7710

To:
M/s Noida Hyperscale Data Infra Ltd
Plot Tech-14, Data Centre Park, Sector 154, Noida, District Gautam Buddha Nagar.

SUBJECT: IN-PRINCIPLE SANCTION OF EXTRA HIGH VOLTAGE (EHV) POWER GRID CONNECTIVITY
Reference: Developer Online Portal Application UP-EHV-2026-0811.

In accordance with UP Data Centre Policy guidelines and UPPTCL load-flow clearance, in-principle sanction is hereby communicated for grid power interconnection:

1. Sanctioned Load: 60.0 MVA at 132 kV voltage grade
2. Proposed Transmission Line: Double circuit 132 kV underground XLPE line
3. Source Interconnection: from Sector 148 Substation (Dedicated 132 kV bay)
4. Phase Scope: Phase 1 Commercial Operations
5. Commissioning Schedule: Target Commercial Operation by 31-10-2028
6. Valid up to: 30-10-2028

The applicant is advised to sign the formal EHV power supply agreement within 60 days.

Superintending Engineer (EHV Commercial)
PVVNL, Meerut
